

Young Scientist Award

20th International Symposium
on Electromagnetic Theory

Berlin, Germany, 16–19 August 2010

Shouhei Kidera

for his paper

*Experimental Study on Super-Resolution 3-D
Imaging Algorithm Based on Extended Capon with
Reference Signal Optimization for UWB Radars*

co-authored by Takuaya Sakamoto and Toru Sato

Union Radio-Scientifique Internationale
International Union of Radio Science
Commission B Fields and Waves

Prof. Dr. Karl-Jörg Langenberg

Chair URSI Commission B

Prof. Dr. Giuliano Manara

Vice Chair URSI Commission B

Berlin, August 18, 2010
